Ordering

Based on your order, I will prepare a quotation for you. There are no standard prices because the amount of work needed for each customization project can vary widely.

Please send an e-mail with the following information to ralphzoontjens@gmail.com:

- The amount and product code of each item that you wish to order
- A description of how the items should be customized
- If applicable, the graphic material to be applied on the items, preferably in .dwg or .eps format
- The file format in which you wish the items to be delivered. STL is the default option, but other possible formats are OBJ, OFF, 3DS, and PLY.
- When you need the files to be delivered. Standard lead time is 6 business days, but faster delivery can be done for a 25% additional rush charge.
